

3s swiss solar solutions Belize

Where is 3S solar based?

3S Swiss Solar Solutions, a PV module manufacturing company based in Gwatt, Switzerland, has opened its second manufacturing facility in Worb bei Bern, in the Bern-Mittelland administrative district in the canton of Bern. The new plant has an annual capacity of 250 MW capacity and, according to the company, is "highly automated."

Who is 3S Swiss solar solutions?

For over two decades, 3S Swiss Solar Solutions has been at the forefront of the solar energy revolution. Their journey has been characterized by a relentless pursuit of innovation in photovoltaic technology, especially in the realm of Building-Integrated Photovoltaics (BIPV).

Why should you choose 3s Swiss solar solutions?

3S Swiss Solar Solutions' approach combines technology with a commitment to environmental sustainability, reflecting our dedication to reducing the carbon footprint of buildings and advancing towards a cleaner, greener future.

Why should you choose 3s solar solutions?

They are available in different dimensions and colors and produce environmentally friendly energy. The Sustainable Development Goals are a call to action to end poverty, protect the planet and ensure peace and prosperity everywhere. 3S Swiss Solar Solutions AG manufactures the energy-producing building envelopes of tomorrow.

What is 3S doing in the solar energy sector?

M.B: In the solar energy sector, we at 3S observe distinct trends in our primary markets. In Germany and Austria, the concept of building-integrated photovoltaics (BIPV) for roofs and facades is emerging, capturing significant interest due to our extensive experience and over 18,000 installations we have done already.

Discover the latest in solar innovation as 3S Swiss Solar Solutions AG inaugurates its cutting-edge production site in Worb, Switzerland, showcasing the next generation of solar modules and emphasizing ...

For more than 20 years, 3S Swiss Solar Solutions has been busy developing solar panels at the forefront of technology. Manufactured on the company's site in Thun, 3S Swiss Solar Solutions' photovoltaic systems are not roof-mounted but integrated directly into the building envelope (roof, facade or balcony rail).
