

The firm acquires, develops and finances renewable energy infrastructure projects in the US, Italy and Spain. Alleans Renewables assists customers in investment opportunities across energy, environment and finance sectors.

Acciona Energia said in a statement on Tuesday that it will support the state-owned energy entities of Aruba with the establishment of a renewable hydrogen ecosystem on the island and with exploring supplementary uses and export opportunities. The idea is to eventually extend the reach to the Caribbean region.

Alleans Renewables Ltd (Alleans Renewables) is an independent advisory firm. It provides sourcing, structuring, and execution of direct investment opportunities across cross-border. The firm acquires, develops and finances renewable energy infrastructure projects in the US, Italy and Spain.
