

Baseus outdoor energy storage battery review

Is baseus Blade 2 a good battery?

Baseus Blade 2 65W 12000mAh Power Bank The Blade 2 is decent enough if you need a 65W power bank with a svelte design. The two USB-C ports do a great job delivering a reliable charge, and the 12000mAh battery can easily charge two phones.

Is baseus a good battery charger?

Obviously, the biggest limitation is the 12000mAh battery; while it is still a decent option for charging phones, it doesn't measure up if you want to use it with notebooks. The best power banks feature a 20000mAh battery and 65W charging -- Baseus makes one that's just \$45-- and you get a USB-A port.

Is baseus a power bank?

The power bank retains Baseus's custom design, so you get a rectangular chassis with rounded edges that's thinner and wider than most power banks. It doesn't look like a power bank at an initial glance, and the ultra-thin design makes it easily portable.

Are baseus earbuds any good?

Like other Chinese accessory makers, Baseus has branched out into a lot of new segments in recent months, and its Eli Sport 1 earbuds in particular stand out for their open-ear profile. But charging tech is where Baseus is at its best, and the brand's Blade 100W power bank continues to be one of the best around.

Is baseus a good brand?

Baseus are one of a handful of brands with expertise in the portable technology products category. I even reviewed their Eli Sport 1 earphones recently, and today I'm ready to tell you about the soon to be released Blade2 power bank which I've been using as part of my photography kit-bag for charging phone, camera and flash batteries respectively.

What is a baseus blade?

The Baseus Blade is a power bank with a unique design that's aimed at portability. It has a 20,000mAh battery, two USB-C and two USB-A ports, and charges at 100W. The best part? An integrated screen t

The Baseus N1 Outdoor Security Camera (\$199.99) is a kit that includes two weatherproof cameras you can control with your voice or with your phone that capture 2K video with color night vision. The cameras provided sharp video in testing and the included hub offers free local video storage, but third-party integrations are limited to Alexa ...
