Now called Shift, the company formerly known as Sterling PlanB Energy Solutions (SPBES) held a news conference in London to announce the expansion of its markets beyond marine ...

Canadian energy storage solutions provider Sterling PlanB (SPBES), now called Shift, has revealed its plans to expand its markets beyond marine industries and to launch a new clean energy supply service PwrSwäp.

Shift pays for the transition of marine vessels to be electrified using clean energy. We believe so completely in our products, the PwrSwäp solution, and the climate action imperative, that we make the upfront investment, so you don't have to.

Marine battery company Sterling PlanB Energy Solutions has rebranded as Shift as it launches a pay-as-you-go energy supply service called PwrSwäp. The service is aimed at customers from the marine industry - as ...

Marine battery company Sterling PlanB Energy Solutions has rebranded as Shift as it launches a pay-as-you-go energy supply service called PwrSwäp. The service is aimed at customers from the marine industry - as well as other industries - seeking to electrify sites in a clean and cost-effective manner.
