Why did you choose Cola solar?

Show details We chose Bendigo based Cola Solar because they promised to be more customer focused than the mega-energy companies. The purchase and installation process was excellent. They were prompt &efficient. After the last payment was made however they became somewhat more difficult to deal with.

Is colasolar a good company?

ColaSolar replaced the pipes at a good price. In addition, due to bad timing, my water service broke just before I needed to travel overseas for work. ColaSolar's professionalism meant that I was able to address matters during my travels. I have full confidence in this business.
