

Enphase iq8 off grid system Bolivia

Why should you choose Enphase Energy System for off-grid living?

Embrace the freedom of off-grid living with the power and reliability of the Enphase Energy System. Offering complete independence from utility infrastructure, our new Off-Grid configurations feature intelligent IQ8 Microinverters, state-of-the-art IQ Batteries, and integrated Generator Support.

What is Enphase IQ8?

The Enphase IQ8 features the brand's "always-on" technology, aiming to eliminate the challenges of being tied to the utility grid. With a traditional grid-tied system, you'll have zero solar power production even if the sun is shining if the grid fails.

Can the Enphase IQ8 be paired with an off-grid micro-inverter?

The Enphase IQ8 can be paired with a compatible off-grid micro-inverter to create a dependable source of power at all times. The Enphase IQ8 features the brand's "always-on" technology, aiming to eliminate the challenges of being tied to the utility grid.

Does the Enphase IQ8 work in off-grid mode?

One of the most commonly-asked questions about the Enphase battery is whether it can function in off-grid mode - and the answer is yes, it does. The Enphase IQ8 can be paired with a compatible off-grid micro-inverter to create a dependable source of power at all times.

Why is Enphase IQ8 grid-agnostic?

Enphase started talking about the development of the IQ8 as early as in 2017. The company aimed to create a device that would be always on, even without a costly backup battery. The existing microinverters do not function during a power outage, even in the middle of a cloudless day.

Does the Enphase Energy System with IQ8 microinverters include backup?

The Enphase Energy System with IQ8 Microinverters offers many configurations for different customer needs. The Solar Only configuration is installed without IQ System Controller 2 and offers savings on homeowner utility bills but does not include backup.

The long-standing division in on-, off-grid and hybrid inverters doesn't apply here. The IQ8 is a truly universal device that will operate under any conditions and save you during a blackout. Even without a battery. What ...
