Evertrust Limited is an active company incorporated on 17 February 2005 with the registered office located in New Malden, Greater London. Evertrust Limited has been running for 18 years.

Who is EverTrust Japan?

Evertrust Japan was founded in November 2011 to provide investment, finance, and consulting services to enterprises both inside and outside Japan. In the 21st century, the business environment of Japan and the world has evolved significantly, with its speed, in particular, accelerating in recent years.

Why is Eritrea not a good place to invest?

Eritrea's investment environment isn't favorable due to several factors: the absence of a comprehensive commercial code, limited access to international financial networks except for government dealings, and stringent governmental oversight over imports and exports, all of which significantly impede foreign investment opportunities.

Does the US invest in Eritrea?

There is growing interest in U.S. products and services in Eritrea, although U.S. investment in Eritrea is still small. In 2011, Eritrea imported goods worth US\$899.9 million, including machinery, petroleum products, food, and manufactured goods.

What is the economy like in Eritrea?

All values, unless otherwise stated, are in US dollars. The economy of Eritrea has undergone extreme changes after the War of Independence. It experienced considerable growth in recent years, indicated by an improvement in gross domestic product in 2011 of 8.7 percent and in 2012 of 7.5% over 2011, and has a total of \$8.090 billion as of 2020.

Why did Eritrea open its borders to Ethiopia?

Eritrea recently opened its borders to Ethiopia for the first time in 20 years, allowing landlocked Ethiopia to use Eritrea's Massawa port for direct access to the Red Sea. This act may strengthen investor confidence as well as economic growth. Eritrea has limited exports to Korea: USD 22M in 2016 driven by minerals.
