Do You Need to Repair Or Replace Furniture Parts?

Who makes Haworth furniture?

Founded in 1948 by G. W. Haworth, the company designs and manufactures seating, tables, movable walls, panels, storage, and wood casegoods. Haworth's furniture pieces, combined with interior design and technology, are intended to create a focus on "organic workspaces that help people perform their best."

What are Haworth's workstations?

Haworth's workstations are a premium office furniture solution known for their versatility. Haworth's, originally known as Modern Partitions, is a family-owned company that has been in business since 1948. They pride themselves on offering products that adapt to changing office landscapes, conditions, and technologies.

Are Haworth's Places panels sustainable?

Haworth's Places panel systems are manufactured with durable and sustainable materials. At Davies Office, we provide sustainable alternatives and help you build the office workspace of your dreams with these panels.

What makes Haworth unique?

Haworth's international studios partner with renowned designers to shape the style, form, and functionality of our products. While Haworth is known for our standout ergonomic chairs, we offer a full suite of furniture and accessories for offices, hospitality spaces, and more. Haworth has been zero waste to landfill since 2012.
