Melati (*Jasminum sambac*), a small white flower with a sweet fragrance, is the national flower of Indonesia, [8] together with Anggrek Bulan (*Phalaenopsis amabilis*) and Padma Raksasa Rafflesia (*Rafflesia arnoldii*). All three were chosen on World Environment Day on 5 June 1990 by President Soeharto.

The project was a joint venture between Indonesia's state utility company and Masdar, a United Arab Emirates-based renewable energy company. It highlights the potential for foreign companies to be involved in Indonesia's solar power growth and signals a favourable regulatory and economic climate for investors. The Cost of Solar Panels in ...

There are three categories of floral emblem that symbolise Indonesia: National flower (Indonesian: Puspa bangsa) of Indonesia is Melati putih (*Jasminum sambac*) [1] Flower of charm (Indonesian: Puspa pesona) is Anggrek Bulan (Moon Orchid) (*Phalaenopsis amabilis*) [2] Rare flower (Indonesian: Puspa langka) is Padma Raksasa Rafflesia (*Rafflesia* ...

The Moon Orchid, also known as Puspa Pesona, is one of Indonesia's most famous native flowers. This flower has an elegant shape with wide, graceful white petals. The Moon Orchid is often used in various official events and traditional ceremonies. Its captivating beauty has led to its designation as one of Indonesia's national flowers.

The flower's uniqueness and rarity make it a symbol of Indonesia's unmatched natural treasures. All three flowers were officially recognized on World Environment Day in 1990, underscoring the nation's dedication to environmental preservation. Where Are These Flowers Featured in ...

The moon orchid is the national flower of Indonesia. However, it is important to note that it is simply one of three flowers chosen to represent the country for various reasons. The three flowers are the moon orchid, *Jasminum sambac*, and *Rafflesia*.
