

Intilion battery Equatorial Guinea

What is intilion energy storage?

INTILION offers you innovative and clean lithium-ion energy storage solutions for stationary energy storage.

Who is intilion?

It is specialised in the supply and installation of lithium-ion energy storage solutions with storage capacities ranging from 70 kWh to 100 MWh. Both standard and customised solutions are offered for commercial, industrial and grid applications. visit [INTILION.com](https://www.intilion.com)

What is intilion | scalecube?

The INTILION |scalecube is the perfect solution for large-scale storage up to several megawatt-hours. The system is entirely modular and can be adapted to fit your precise requirements. We work day in and day out to guarantee your safety by integrating fire and lightning protection, and ensuring cybersecurity.

Our three main components, the INTILION Application Unit (IAU), the INTILION Battery Unit (IBU) and the INTILION Control Unit (ICU) - INTILION ABC - provide a highly integrated, flexible ...

Intilion is based in Germany and is part of the Hoppecke battery company. Last month, a solar-plus-storage project on using its battery storage system with 3.7MWh of capacity went online in Saxony. Commenting on this ...

Modular and scalable battery storage solutions for any application, from grid connection extensions for e-mobility to trading scenarios on spot and balancing energy markets. Flexibility and integration of hardware and software ...

Intilion revealed its plans to list shares on the Frankfurt Stock Exchange today (27 June). The initial public offering (IPO) will also include private placements outside of Germany of new shares from a capital increase, and ...

Fire protection concept for lithium-ion battery systems As a company committed to sustainable energy supply, we place the highest value on the quality and reliability of our products. For this reason, we only use high-quality lithium-ion ...

In addition, we have developed an innovative fire protection enclosure for the battery modules as part of a comprehensive protection concept. With its fully mechanical construction, the fire ...

Mit unseren drei Hauptkomponenten, der INTILION Application Unit (IAU), der INTILION Battery Unit (IBU) und der INTILION Control Unit (ICU) - INTILION ABC - bieten ...

Intilion battery Equatorial Guinea

INTILION, a battery storage manufacturer headquartered in Germany, was unveiling a new prototype BESS for the commercial and industrial (C& I) market, with an inbuilt fire safety feature. The many advantages that ...

INTILION's prototype safety technology shows gases being safely vented from the front side of the storage system, exhibited at Intersolar Munich 2022. Image: Cameron Murray / Solar Media. Germany-based battery ...
