

# Jamaica solar companies in polokwane

Is it worth getting a solar power system in Jamaica?

This calculation will show you how many hours of sunshine your photovoltaic system will get in one year. If the resulting value is below 6,000, it is not worth getting a solar power system for your home. 2. Find which Jamaican solar company is more affordable but still does quality installations

How to find a solar company in Jamaica?

Go on google and search for solar companies in Jamaica, make a list of them and call them. Contact at least five different companies to get prices for their services. An important tip is to never mention that you are looking for the best price. Always act interested in buying their products but don't be too pushy about buying right away.

What is the biggest solar project in Jamaica?

Paradise Park, a US\$65-million investment, is the largest solar project in Jamaica, which is projected to significantly decrease the country's dependence on fossil fuels, while helping the island to reach its sustainable development targets. The solar farm is designed to supply 37 megawatts of power.
