

With limited natural resources and a population spread across 33 atolls and islands, Kiribati has long been reliant on imported fossil fuels for its energy needs. However, the country is now looking to solar power as a sustainable solution to address its energy challenges and contribute to global efforts to combat climate change.

Kiribati Green Energy Solutions contact info: Phone number: +686 75126051 Website: What does Kiribati Green Energy Solutions do? Kiribati Green Energy Solutions Company Ltd is a company that operates in the Environmental Services industry.
