

"The company has today signed the Land Lease Agreement (LLA), Connection Facilities Agreement (CFA), Conditions Precedence (CP) Satisfaction and Construction Start Date Letters with the independent power producer MOMNAI Energy Limited, a company established for the project by Frontier Energy, a leading African renewable energy developer and ...

Kenyan cement maker Bamburi Cement Plc has signed several agreements with independent power producer (IPP) MOMNAI Energy Limited to kick off the construction of 19.5 MW of solar plants at its factories in Kenya.

MOMNAI Energy will finance the construction, management, and maintenance costs of the entire project. Bamburi Cement will provide land leases at its Mombasa and Nairobi plant sites for the Solar PV Plants.

Bamburi Cement Plc CEO Mohit Kapoor (Right) and MOMNAI Energy Ltd Director Chad Bannick, during the signing of Agreements that allow the start of the construction of two solar photovoltaic (PV) power projects.

Purchase Agreement (PPA) with an Independent Power Producer, MOMNAI Energy Limited, to set up two Solar Plants adjacent to the company's Mombasa Plant and Nairobi Grinding Plant. The project which aims to save on power costs as well as contribute to Net Zero carbon emissions by switching to renewable energy, is set to deploy solar power

Bamburi Cement factory [Courtesy] Bamburi Cement has signed a power purchase agreement (PPA) with independent power producer Momnai Energy Ltd to set up two solar plants adjacent to the company's Mombasa factory and Nairobi grinding plant.

The project aims to save on power costs as well as contribute to Net Zero carbon emissions by switching to renewable energy. The MOMNAI company was established for the project by Frontier...

The project with MOMNAI Energy Ltd, an independent power producer, will include two plants with capacities of 14.5MW and 5MW, located in Bamburi's Mombasa and Athi River sites, respectively. Mohair Kapoor, CEO, Bamburi Cement, said the project will lead to significant cost savings, reduced vulnerability to load shedding and make a substantial ...

The Kenya-based cement manufacturer has signed agreements with independent power producer MOMNAI Energy Limited to build solar photovoltaic plants with capacities of 14.5 megawatts in Mombasa and 5 megawatts in Athi River. The \$20 million projects will supply 30% of Bamburi Cement's electricity needs.
