Is Milbank energy at work?

We are energy at work. Milbank, a third-generation family-owned business, has been engineering and manufacturing electrical supplies, equipment and solutions for use by utilities, contractors, and OEMs since its founding in 1927. Today, Milbank's meter mounting equipment is the standard by which all others are measured.

Who is Milbank?

More than a manufacturing company, we are an active and engaged contributor in the movement and utility of energy. We are energy at work. Milbank, a third-generation family-owned business, has been engineering and manufacturing electrical supplies, equipment and solutions for use by utilities, contractors, and OEMs since its founding in 1927.

What is Milbank meter mounting equipment?

Today, Milbank's meter mounting equipment is the standard by which all others are measured. Our meter sockets and electrical enclosures can be found on homes, schools, businesses, factories, roadways, RV parks, arenas, and airports across North America.
