

MTN and Lumos has offered new versions of the MTN Lumos Yellow Box, the Lumos PRIME and Lumos ECO. This comprehensive review of the two new MTN Lumos solar systems by SolarKobo covers all the aspects of the new solar home systems.

Prime Minister of Tonga today announced the official launch of the 6-MW power purchase agreement (PPA) based Tongatapu Solar Farm located at Fualu, Tongatapu, which has supplied electricity to over 10,336 households since August this year.

This definitive review of the MTN Lumos solar electricity kit by SolarKobo covers everything potential users and buyers need to know about the features of the kit, its components, the pricing plans and the capacity as well as appliances that it can power.

Comprising three interconnected 2.3MWp ground mounted solar arrays in western Tongatapu, the construction phase successfully met the extreme challenges presented by the 2022 Hunga Tonga-Hunga Ha"apai volcanic eruption and resulting tsunami, as well as the COVID-19 pandemic.

Acting Prime Minister of Tonga Hon. Poasi Tei accepted the humanitarian support of 504 solar lighting and phone charging kits, presented by Sunergise and Clay Energy representative Nikolasi Fonua in the Tongan capital Nuku'alofa.

The commissioning of the Niuatoputapu Solar Hybrid System & Mini Grid is a significant milestone for Tonga. It brings the country's total electricity accessibility to around 99%. The project will also help to reduce Tonga's reliance on imported fossil fuels, which will benefit the environment and the economy.
