Where is Bruynzeel made?

We call this: creating space for a healthy planet. Bruynzeel has over 200 employees in 10 offices in Europe and the United States, as well as an extensive network of distributors in Africa, the Middle East, Latin America, North America, Australia and Asia. All storage systems are produced in the factory in Panningen, the Netherlands.

Why did Bruynzeel create a rectangular museum?

The rectangular solutions of Bruynzeel had to find a place within the special spherical shape of the museum. And in such a way that the available space was used optimally. Only with a sophisticated layout can you store 151,000 artefacts of all shapes and sizes in the available space. Bruynzeel has been entrusted with that. [get inspired](#)

Who is Bruynzeel?

Bruynzeel has been entrusted with that. [get inspired](#) Bruynzeel supplies the French company Champerch's; with high density mobile shelving systems for the cultivation of vegetables in vacant buildings. Vertical farming makes it possible to grow almost any type of crop indoors, anywhere in the world.
