

Psw power and automation Gabon

Who is PSW Power & Automation?

PSW Power & Automation delivers complete solutions within electrification and renewable energy. The company specializes in the design and integration of ESS and electrical power systems, electrical infrastructure, energy storage and energy control. While onshore power supply (OPS) has been around for some time, its availability is still limited.

Does PSW power & automation have a green financing facility?

PSW Power & Automation AS has secured a green financing facility of NOK 32 million to fund energy storage solutions with DNB according to Sustainable Product Framework (dnb.no). The facility is planned to convert to a 5-year term loan upon delivery of the systems to end customers.

What is PSW Power & Automation & Uddevalla Energi doing?

Through this collaboration, PSW Power & Automation and Uddevalla Energi are not only addressing the immediate needs of the local power grid but are also contributing to the broader goal of a greener, more sustainable energy landscape in Sweden.
