

Siraj power dubai Somalia

Who is sirajpower?

As a dedicated provider of solutions pertaining to solar energy in the UAE, and the GCC region, SirajPower offers comprehensive turnkey solar power solutions that encompass the development, financing, construction, operation, and maintenance of solar solutions for commercial and industrial applications in the GCC region.

What is Siraj Energy?

Siraj Energy is a company established in 2017 to finance, build, operate, and maintain solar power facilities, and sell electricity generated from solar power, within Qatar.

Why should you choose SirajPower?

SirajPower is a preferred long-term partner committed to serving customers for the solar system's lifetime. Instead of self-investing or buying a solar system and assuming all risks, SirajPower offers fully financed solar solutions with risk-free tariffs at a discount to your utility rate, providing instant savings with no upfront costs.

Does SirajPower offer a risk-free solar system?

SirajPower offers fully financed solar solutions with risk-free tariffs at a discount to your utility rate, providing instant savings with no upfront costs. Rather than self-investing or buying your solar system and assuming all risks, let us do what we do best, so you can focus on what you do best.
