

Solar & Storage Live London showcases market leading and innovative solutions for Residential, Commercial/Industrial & Large-Scale Utility projects.

Following the success of our flagship Birmingham event in October, Solar and Storage Live is branching out to various locations across Europe with our next event being in London. Solar and Storage Live London will be followed by Zurich (17-18 September 2024), Birmingham (24-26 September) and Barcelona (November).

We bring the entire energy value chain together with innovators and disruptors, to discover the technology and solutions needed to drive the UK's energy transition. The London edition was launched in 2024 and was an overwhelming success, smashing targets with over 10,000 solar and storage professionals attending.
