

Solar system set price Guernsey

Solar panels can help lower your electricity bills and they only require daylight to work, even if the sun is not shining you are still getting free electric! Here at Island Electrics Ltd, we can help consult and advise on what would be best for your property as well as look after your installation with full servicing.

In 2023 Guernsey Electricity worked in conjunction with The Little Green Energy Company to install the vast community-scale solar array at Grow Limited's newly redeveloped headquarters. The 310 photovoltaic (PV) panels will produce 129-kilowatt peak power (kWp). That's enough electricity to supply power to approximately 35 homes.
