Who is PT Sungold solar?

PT SungoldSolar Power, the Indonesian subsidiary, is established and the U.S. business is further expanded. Since 2008, Sungold Solar has grown over the past 16 years to become the leading China Solar Panels Supplier for the US. Learn more about our journey and commitment to quality.

How good was Sungold solar service?

Sungold solar service was good from start to finish. Although, I'm still waiting for my smart meter from my energy supplier, it was all organised by Syed (Sam) so I had nothing to do. His service was very good and friendly and not pushy at all. The installation team were fantastic friendly and professional as well.

Empower your business with Sungold Solar. We deliver reliable, affordable, and green solar energy solutions for camping, outdoor travel, marine, and emergencies. Go solar with us and power your success sustainably.
