PEG Africa (also known as PEG) is a for profit corporation, financing and deploying solar power to households and SMEs in West Africa. The company provides loans for pay-as-you-go (PAYG) solar power home systems and solar water irrigation to customers that do not have access to an electrical grid. The loans are repaid by customers in small increments, using mobile payments. The solar power home systems can be used by customers as collateral for loans on further prod...

In May 2017, Blue Haven Initiative (BHI) Co-Founder and Principal Liesel Pritzker Simmons and Director of Private Investments Lauren Cochran were deciding whether to participate in a Series B round for PEGAfrica, which sold solar home systems in Africa via pay-as-you-go (PAYG) financing plans that allowed customers to make small payments via ...

PEG Africa is a leader in deploying and financing solar energy to households and SMEs in West Africa. The company uses pay-as-you-go financing to provide solar energy systems to customers who would not be able to afford the full price. Their products play a significant role in the fight against c...
