

What is the Energy Storage Summit?

Our Summit aims to highlight the fundamental role that energy storage will play in this journey, and will strive to recognise, explore and analyse key challenges that may present themselves on the trajectory ahead. One scenario estimates Europe will reach 29.6 GWh of installed capacity by the end of 2024, marking a 72% increase YoY.

Why should you attend the Energy Storage Summit?

Over the past ten years, the Summit has gained recognition as the biggest, busiest, most informative, and best networking event in the European energy storage sector, where deals are made on site; generating efficient business for everyone who attends. workshops, an after-party, private networking dinners and much more!

How much storage capacity will Europe have by 2024?

One scenario estimates Europe will reach 29.6 GWh of installed capacity by the end of 2024, marking a 72% increase YoY. Over the next five years, the EU needs to achieve a mammoth 187 GW total installed storage capacity to keep on track.

How much energy storage does the EU need?

Over the next five years, the EU needs to achieve a mammoth 187 GW total installed storage capacity to keep on track. Of the 5GW currently under construction in GB, 3.5GW of this is set to come online in 2024 with pipelines continuing to expand into 2025. These are just some examples of the urgent need for energy storage deployment across Europe.

Why is the European energy storage sector so important?

The European energy storage sector is at a pivotal moment in its history, with new markets exploding onto the scene, pipelines growing at a rapid pace, bigger projects than ever before being announced and innovation happening at every level of the value chain.

Join IBESA and our partners for a wide range of energy and battery storage events - both virtual and in-person. From in-person conferences and exhibitions over to focused workshop sessions, there are many ways to ...

Durante l'Italian Energy Summit 2024, giunto alla sua 24ª edizione e unico nel panorama italiano, verr&#224; data risposta a queste domande alla presenza delle istituzioni ...

The must-attend 9 th Energy Storage Summit will shed light on how the industry is shaping European energy storage deployment, innovation, investment and policy, and aims to accelerate the industry by bringing key players together ...
