

Vera solar Lesotho

What services does verasol offer?

VeraSol supports the growing global market for modern off-grid solar solutions with a comprehensive suite of quality assurance services. Our core services help sector actors implement and improve quality assurance across all areas of the market.

Who manages verasol?

VeraSol is managed by CLASP, an expert in appliance energy performance and quality, in collaboration with the Schatz Energy Research Center at Cal Poly Humboldt.

Who is onepower Lesotho 1pwr?

Khotso! Welcome to OnePower Lesotho 1PWR is a fast-growing startup based in Lesotho whose mission is to provide affordable and reliable electricity services to off-grid villages, giving families, schools, health clinics, and local businesses the resources needed to grow and thrive.

How does verasol work?

VeraSol works to ensure the products sold in off-grid communities perform as advertised, increasing consumer satisfaction and confidence in off-grid solar solutions.

What is verasol quality assurance?

An evolution of Lighting Global Quality Assurance, VeraSol strives to make safe, affordable, and durable products the default option in the market. VeraSol builds upon the strong foundation for quality assurance laid by the World Bank Group and expands the quality assurance framework to encompass appliances and productive use equipment.
